Who We Are

A new combination of dining and dignity. eat X dignity is a transformational enterprise by Dignity for Children Foundation. Located in the heart of Sentul, we offer both great food and an environment that is inspired by the stories and sights of the area.

History

eat X dignity was established in 2015 between the kind collaboration of Berjaya Cares Foundation and the B.I.G Group, bringing Dignity's vision for a F&B transformational enterprise to life.

Part of a Bigger Picture

Our skills training program for students ensures employability after their time at Dignity, so they can improve their chances of earning more for themselves and supporting their families. Students at eat X are able to learn culinary, hospitality, F&B and crucial softskills, enabling them to discover their potentials and hone new skills.
