

# sew X dignity

sew X dignity is a transformational enterprise that offers high-quality, lovingly sewn goods out of upcycled and local fabrics.

At the same time, it is a platform for underprivileged and marginalized youth to learn valuable thinking, design and sewing skills and become more confident, competent and employable.

All your products are 100% made by our students or refugee mothers. The profit goes directly back to Dignity for Children Foundation to educate more youth, and transform lives. A portion of what you pay will go back to the crafter who made your product.
