What's the X factor in eat X dignity?

**X stands for ...
collaboration,
connection,
communities coming together to create something meaningful.**

X marks the spot where your story intersects with a child's...
and what's on your plate connects to their possibilities.

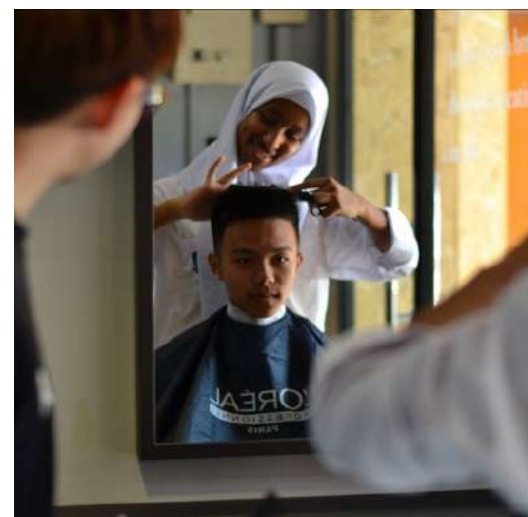

About us

We believe that good food builds great communities. At eat X dignity, our goal is to bring you fresh, locally-sourced, healthy and affordable meals cooked with care by our community, to yours.

With ingredients sourced from our community garden and Dignity's Bentong Farm Academy, each dish is a labour of love and is served up by our youth F&B trainees with pride.

That's right: this café is more than just a café. It is a training ground for youth from underprivileged and refugee communities, imparting F&B skills and entrepreneurship exposure. eat X dignity is just one of several Transformational Enterprises operated by Dignity for Children in Sentul, bringing holistic and relevant education to youth for a better tomorrow.

100% of profits are channelled back to Dignity for Children Foundation to educate 2,000 children every year. Know that each meal you eat is a chance for a child to receive a quality education that will transform their lives.
